KELLY HUTCHISON – JUNIOR FULL STACK SOFTWARE DEVELOPER

kellyhutchison@hotmail.com │ 0034 674 659 228 │ LinkedIn │ Spain

Executive Summary

A Junior Developer working towards a Diploma in Full Stack Software Development from the Code Institute. I am a team contributor who is organised, articulate and analytical in all aspects of a professional environment. I am a methodical problem solver with leadership skills and determination to succeed. I have six years of experience in a SaaS business and am looking forward to returning to the tech industry.
